## *Our Vision*

**RPM Foundation** has a vision with three components:

- 1) YOUNG PEOPLE** – That every passionate, young car enthusiast in the United States and Canada learns that there are viable, varied career opportunities in North America focused on the collector car industry – including restoration – by way of exceptional automotive restoration educational programs, and they are able to take advantage of those programs;
- 2) OLD CARS** – That the craftsmanship, skills, knowledge, tools, processes and techniques survive and thrive for generations to come by filling the educational pipeline with the next generation of craftsmen & women, the stewards protecting and enjoying our automotive heritage; and
- 3) IMPACT** – That the collector car industry – including schools – is organized and centralized with the help of the RPM Foundation, providing information, services and a strong network critical to industry development and growth.

***Supporting the RPM Foundation – Thank You!*** Help us fuel the future and achieve our goal of raising \$1,000,000 in 2017! With funding requests more than triple what we are able to giveaway, we need your support. Donations of any size are deeply appreciated.
