

## OFF TO THE RACES WITH RPM – ROAD AMERICA

A Program for Automotive Restoration & Preservation Students!

Join world class Indy Racer Lyn St. James ([lynstjames.com](http://lynstjames.com)) and RPM Foundation ([www.rpm.foundation](http://www.rpm.foundation)) at Road America racetrack ([www.roadamerica.com](http://www.roadamerica.com)) in Wisconsin (between Milwaukee and Green Bay) during Sportscar Vintage Racing Association's (SVRA [www.svra.com](http://www.svra.com)) Spring Vintage Festival Weekend for a very special program designed to engage YOU – automotive restoration & preservation students, your teachers and parents – in the vintage racing world.

The Off To The Races program includes event and track orientation by SVRA President Tony Parella, guided tours on and off the racetrack – including the Turn 14 Bridge overlooking the racetrack where timing & scoring is recorded and the Paddock where 200 vintage race cars are kept and maintained – plus race viewing at the start/finish lines, Turns 5 and 7 and watching awards at the Victory Lane. Track lap possible. No need to pack a lunch – food and beverages will be served at “Lunch with Lyn St. James” and provided by Road America. Learn what it takes to be part of a race crew and go behind-the-scenes to meet the mechanics, racers, car owners and vintage racing professionals. Under-the-hood was never so good!
