A Program for Automotive Restoration & Preservation Students!

Join world class Indy Racer Lyn St. James ([lynstjames.com](http://lynstjames.com)), Donovan Motorcars ([donovanmotorcars.com](http://donovanmotorcars.com)) and RPM Foundation ([www.rpm.foundation](http://www.rpm.foundation)) at Watkins Glen International ([theglen.com](http://theglen.com)) in New York during Sportscar Vintage Racing Association's (SVRA [www.svra.com](http://www.svra.com)) U.S. Vintage Grand Prix Weekend for a very special program designed to engage YOU – automotive restoration & preservation students, your teachers and parents – in the vintage racing world. See how your future shop customers USE their collector cars.

Off To The Races starts with a tour of the International Motor Racing Research Center (IMRRC), which is home to one of the world's largest archival collections of materials representing the History of Motorsports. Once at the historic Watkins Glen International road course, you will have an opportunity to pit-crew with the Donovan Motorcars race team, have guided tours of the paddock including meet-and-greets with several race teams and racers, as well as meet SVRA President Tony Parella. Over 400 racecars will be competing in 11 vintage race groups. Jaguar will also be at The Glen with cars that entrants, crews and spectators can race on an autocross course set up in the paddock.

No need to pack a lunch – food and beverages will be served at a “Talk with Tony” and provided by The Glen. Learn what it takes to be part of a race crew and go behind the scenes to meet the mechanics, racers, car owners and vintage racing professionals.

Under-the-hood was never so good!
