

**About Donovan Motorcar:**

Founded in 1989 by Brian Donovan, Donovan Motorcar Service has become one of the most well-known and trusted sources for service and restoration of British, European and domestic automobiles on the East Coast. Their specialization in Jaguar restoration and service has earned them an international reputation in excellence that has enabled them to work on some of the most famous and valuable historic Jaguars. Their staff of 13 provide full restoration services, vintage vehicle maintenance, as well as late-model British and European car service in a 20,000-square foot facility in Lenox, Massachusetts. The shop has a well-known vintage Jaguar racing team and also provides vintage race car prep and on-site track support to customers. With a staffed consignment showroom and 8,000- square feet of on-site storage, Donovan Motorcar Service offers a one stop shop for the passionate vintage car enthusiast.
