Norbert M. Bries, President

Intern or Apprentice Auto Technician Requirements & Responsibilities

Northshore Sportscars is looking for a restoration student intern, full-time 7-10 weeks for summer 2017 (May 17 – August 17) or a restoration program graduate for a 2-year apprenticeship, full-time beginning immediately. Northshore Sportscars is a performance shop with service maintenance and repairs, parts sales and some interior work.

Our shop is a clean 17,000sf, well-equipped shop in the northern suburbs of Chicago, 45 minutes from downtown Chicago easily accessible from I-94. We have two full-time employees – a master engine builder and an experienced customer service manager. Our passion for vintage racing causes us to travel the region to compete on weekends in major racing series.

Job Description

- Read and comprehend instructions, directions, wiring diagrams, etc.
- Undertake duties as assigned and follow established procedures, practices
- Keep logs of work and report on issues
- Possess excellent communication and organizational skills
- Interact with customers, supervisors, and co-workers comfortably
- Exhibit good problem-solving ability and attention to details

Technical Skills Required

- Aptitude in using various hand tools (screwdrivers, hammers etc.) and precision measurement tools (e.g. calipers)
- Basic knowledge of mechanical, hydraulic, electrical, other systems, and related components
- Conduct repairs aiming for maximum safety and reliability
- Replenish fluids and clean components of engines and automobiles
- Remove and reinstall automotive components
- Inspect machines, engines, transmissions etc. and run diagnostic tests to discover functionality issues
- Troubleshoot reported problems and resolve them in a timely manner
