

Leydon Restorations, LLC

PO Box 127, Lahaska, PA 18931, USA

Established in 1973 Leydon Restorations specializes in the mechanical restoration and preservation of automobiles and engines from all eras and marques. We strive to maintain the integrity of original parts and have the capabilities to repair or re-manufacture nearly any component we service. Our shop features comprehensive in-house capabilities, and over a century of combined experience among our staff.

Located on a beautiful and historic farm setting in Bucks County, Pennsylvania. Our shop is a small, well equipped, team oriented workplace with a friendly, low stress atmosphere. We have a forty year history of performing uncompromising work on some of the most challenging projects from around the world.
