

**POSITION: CLASSIC CAR MECHANICAL TECHNICIAN**

**Company Profile and History**

Precision Restorations, [www.PrecisionCarRestoration.com](http://www.PrecisionCarRestoration.com), is a 27,000-sq. ft. auto restoration shop employing 14 team members that are truly passionate about each and every classic car, antique car, custom hot rod and muscle car restoration project we perform. We have been in business since 2008 and are nationally and internationally known for our quality body and mechanical craftsmanship, accurate upfront estimates and unmatched personal customer service.

Our professional car restoration and customization team works with our customers to determine exactly how they want their car restored. Everything is done in a very comfortable environment, with a team approach. We photograph and document each project online so the customer can follow along with their automobile's progress. We get tons of questions asking, "how much does car restoration cost" so we published a FREE E-book you can download here (<http://precisioncarrestoration.com/how-much>) to give you a better idea!

**Position Information**

Would you like to work around old classic cars, trucks and pro-touring builds? Why not get paid to do what you love to do? Based in St. Louis, Precision Restorations wants to add another experienced mechanical technician with 5 years experience to our team due to the continued growth of our business.

With a continually expanding national and worldwide client base, the position offers a competitively higher hourly wage, health and dental benefits, paid vacation/holidays and advancement opportunities.

Requirements include:

- Wiring, welding and mechanical skills
- Experience in engine and transmission swap
- Experience with suspension upgrades, disc brake conversion diagnosis and trouble shooting
- Keen eye for detail and innovation
- Quality driven individual with integrity
- Employee-supplied tools
- Great attitude and work ethic
- Ability to work in a great tightly knit team with no drama
- A genuine passion for working on old classic cars and trucks

If qualified, please respond with your resume or call 314-652-1966
