

Company Profile & History

Hot Rod Chassis & Cycle, located in Addison, IL, is a traditional hot rod shop focusing on 1964 and earlier hot rods and customs. Through the HRCC Skunkworks Racing Division, we also focus on any year race car (drag racing and road racing) and have been in business since 2004.

Notable builds include:

- Raybestos Brakes 1964 Raybestos GTO-R
- Craftsman Tools 1965 Mercury Comet-R
- 1964 Plymouth "Violent" Valiant
- 1970 "LeMans" Corvette
- 1940 Ford "Kosmic Outcast"
- 1933 Ford "Tangerine Scream"
- 1931 Model A "Back Seat Betty".

Hot Rod Chassis and Cycle has appeared on Hot Rod TV, Barret Jackson, Overhauled, PowerNation TV, and MavTV Optima's Search for the Ultimate Street Car. Their projects have appeared in magazines such as Hot Rod, Rod & Custom, Traditional Rod & Kulture, Classic Trucks, Overkill, Mopar Collector's Guide, Powerglide (France), Street Rod Milestones, Popular Hot Rodding, Mopar Muscle and other publications domestically and internationally as well as video features on RaybestosGarage.com and Craftsman.com.
