

GRANT APPLICATION FORM

WHO WE ARE

The RPM Foundation provides the pathway to careers for the next generation of automotive and marine restoration and preservation craftsmen and artisans through formal training and mentorship.

WHAT WE DO

We promote interest in collectible cars and boats by developing the next generation of enthusiasts, restorers and craftsmen. By providing funding through scholarships and grants to organizations that have a proven history of being committed to the 'hands-on' training of young people, we are securing the future of the automotive and marine restoration and preservation industries.

WHAT WE'RE LOOKING FOR

We are concerned about the future and the fact that fewer young people are learning the trades and skills that will help preserve our heritage. To that end, we help organizations who are dedicated to instructing and training young people, primarily 18-25 year olds, to restore and preserve vintage cars and boats, as well as providing them with a pathway to careers.

To some degree, we have supported relevant museums by underwriting the cost of student tours and internships, and even helped organizations purchase restoration tools and equipment, but you have a better chance of receiving an RPM Foundation grant if you have a hands-on training program that provides a pathway to careers for students 18-25 years old. Our highest priorities today are student scholarships, internships and apprenticeships. We never fund salaries. Please note that we rarely support institutional infrastructure or equipment needs, or start-up programs. Established programs with a track record really get our attention.

THIS APPLICATION MUST BE ACCOMPANIED BY THE FOLLOWING:

- A brief statement (up to two pages) about your grant request, in a well-organized, concise letter format.
- A copy of your organization's 501(c)3 status letter from the IRS.
- A list of other funding sources you have to support your request – both pending and received.
- A list of names of your organization's governing board and a brief statement of who they are.
- Supporting documentation – not to exceed five pages – which can include recommendations, testimonials, awards, photos with captions, student spotlights.

Applicants must submit two versions of their application: 1) digital version, via email by 5 pm PT on deadline day, and 2) hard copy mailed to RPM Foundation, 2702 East D Street, Tacoma, WA 98421 with postage dated on deadline day.

WHAT WE NEED TO KNOW ABOUT YOU

Name of your organization:

Date of this application:

Address:

Telephone Number:

Fax number:

Street

E-mail:

Website:

City/State/Zip

EIN:

Person to Contact Regarding this Proposal:

Name/Title:

Address:

Phone Number/E-mail Address:

Amount Requested:

Total Project Budget:

Total Department Budget:

The RPM Foundation funds education and training for the next generation of craftsmen and artisans.

We encourage your application. Thank you for applying.

1. Please summarize your proposal in 1-5 sentences.

2. Who will this grant help and how? (1-5 sentences)

3. If you were to be awarded only a portion of your grant request, do you have the ability to fund the remaining portion? What is your institution's and community's commitment to your program? (5 sentences)

4. Restoration and preservation require both craft and artistry. Please tell us about the technical skills and preservation techniques being taught at your institution and how many hours students are spending on restoration (under the hood) and preservation (behind the desk, research). (5 sentences)
