

RESTORATION. PRESERVATION. MENTORSHIP.

Position Description

Applicant to be successfully processed through America's Automotive Trust (AAT) Volunteer Coordinator.

Position Title: Ambassador

Position Statuses: On-Call Volunteer

Reports To: RPM President

Requirements: 25 years or older & active in the car club/community/culture

Physically able to perform tasks which includes:

- Standing and walking for up to 4 hours
- Use of personal computer to accomplish RPM outreach tasks
- Sitting/doing research for long periods of time

Description: As an RPM Foundation (RPM) Ambassador, you have a direct effect on the education and employment of the next generation of craftsmen and artisans entering the restoration/ preservation fields in both the automotive and marine industries. Your passion and industry knowledge will help make connections that can directly impact the pathway to careers for these young people, as well as help build the curriculum necessary for their education. Everything you do with RPM also impacts our fundraising efforts. [Click here to read the extended description.](#)

Skills Include:

- Attending car shows and other collector car industry events
- Making school visits and connecting with Vocational/Technical instructors
- Establishing contacts with local shops, clubs and other collector car organizations
- Developing and cultivating contacts within your local area is key
- Participating in RPM events such as Shop Hop, the Concours Experience and Off To The Races With RPM
- Acting as an RPM mentor working with students directly by giving feedback about their resumes, cover letters of introduction, portfolios and other job placement advice. Training for this will be provided by RPM staff.
- Mentoring shop owners/employers on creating job descriptions and company profiles, as well as managing their expectations for their potential hires
- Supporting our fundraising efforts
- Above all else, an RPM Ambassador is a representative for the RPM Foundation and its passion for automotive and marine restoration and preservation craftsmen and artisans.

Time Commitment: On average, our Volunteer Ambassadors donate about 20 hours/month.

Applications: All potential volunteers must be registered with AAT by completing a volunteer application which includes a background check. Please include a resume and a letter of introduction with the completed application. If you have a "car-guy" photo and/or portfolio, those are also welcomed.
