**Position:** Automotive Technician/Apprentice

**Description of Duties:** North Scottsdale, Arizona repair shop seeking full-time automotive technician. Individual will be working on primarily British automobiles - Jaguar, Land Rover, Aston Martin, Rolls Royce and Bentley and some Italian brands such as Ferrari and Maserati dating from mid 1990's through new. The individual must be detail oriented, organized, possess a positive attitude, be able to take direction and willing to learn the intricacies of British and Italian automobiles. The individual will be performing major services including suspension, engine, transmission replacement and electrical repairs. It is preferred that the individual have some basic tools but it is not required. The individual must be able to work independently and in a team environment with the intent to diagnose and manage several jobs including estimating work for both parts and labor in the future.

**Shop Information:** British Automotive Repair was founded in 2007 and is a full service repair facility specializing in Aston Martin, Bentley, Rolls Royce and Jaguar. We are a unique establishment that prides itself on our high quality and dedication to both the heritage of the British automobile and to our clients. British Automotive Repair is very involved in the car community both within Arizona and across America. We actively participate in the Copperstate 1000 Road Rally, Goodwood Revival along with local and national Jaguar and Aston Martin car clubs. We offer a generous benefits package including paid vacation, retirement plan, health and dental benefits. We also encourage our technicians to have and maintain their ASE certifications and we reimburse them for passing all exams and re-certifications. We currently employ 4 technicians and are looking to add to our team.
