BEHIND THE SCENES WITH RPM – MECUM AUCTIONS INDIANAPOLIS IN

Indianapolis isn't just the home of the greatest spectacle in racing - it's also the site of one of the largest collector car auctions in the world - the Mecum Indy Auction! With over 1000 collector cars set to cross the block, this is an auction experience you won't want to miss.

Even though RPM Foundation will not be coming to Indianapolis for the Mecum Auction, we've arranged a special program for RPMers in the area.

RPM is proud to announce our Behind The Scenes with Mecum – Indy VIP Program. On Saturday, May 18th, Mecum Auctions is hosting guests of RPM for a VIP experience at their Phoenix auction at the Indiana State Fairgrounds. Guests will receive a complimentary pass to Saturday's auction – usually the liveliest auction day of the week – a private tour of the auction grounds, and a Q&A session with a Mecum Auction representative. Space is limited!

Experience the excitement, energy, and fast pace of a collector car auction. Check out the cars, vendors, and exhibits, and get a rare look Behind The Scenes at Mecum Indy!

Come for the VIP Program but stay for the whole day!

About RPM's Behind the Scenes

We created **Behind the Scenes** to take automotive students out in the field to meet their future restoration customers and see how they use their collector cars. These programs are as much about information-sharing as they are about networking with business owners, collectors and mentors. These job-fairs-on-wheels are fantastic opportunities to share passions, interests and skills with collectors. Become a part of RPM's network!
