WHAT IS GREAT RACE?

The Great Race is a cross-country rally that pits driver/navigator teams against the clock and against each other. The route changes each year and has covered all but one of the lower 48 states. Entrants participate in a timed, controlled speed, endurance competition over scenic public highways and roads. The scores for each team are the result of the team's ability to follow all designated course instructions precisely.

Great Race has been run for over 30 years, with the first being the legendary 1908 New York to Paris Race. Over 100 teams have participated annually in recent years.

WHAT IS X-CUP?

The X-Cup division is designed for student teams to compete against other X-Cup teams. Drivers must be at least 21 at the start. Younger student teams may use an adult advisor.

WHAT VEHICLES QUALIFY?

Antique & Vintage Cars, Trucks, and Motorcycles with body and drive train built in 1974 and earlier can qualify.

HOW SAFE IS IT FOR YOUNGER TEAMS?

Great Race is a well-organized competition with safety as the primary concern. The course instructions require teams to drive at least 5 mph below the posted speed limits at all times. Speed or aggressive driving are sure ways to lose the competition. It takes precise teamwork to win!
